Jennifer Buchta

Program Mentor

Western Governors University

To Whom it May Concern,

I am writing this letter to strongly recommend Jazmine Bowling for a position within your school district. As Jazmine's program mentor at Western Governors University (WGU), I have had the pleasure of working to support her in her academic career over the past several months.

Academic Excellence

Jazmine has demonstrated hard work and grit throughout her time at WGU. In my experience with her, she has shown perseverance in her academic pursuits. Jazmine's approach to her studies is characterized by determination and focus. Jazmine has impressed me not only with her academic dedication but also with her ability to balance her studies while actively engaged in working full time.

Key Strengths

What truly sets Jazmine apart is her time management. For example, she has already completed two (nearly three) courses and is ahead of pace with her term. This demonstrates her ability to focus on a task, set a goal, and finish strong despite obstacles.

Jazmine also possesses impressive dedication to her goals. She plans to graduate early and I believe she is on pace to make this goal a reality.

In conclusion, I wholeheartedly recommend Jazmine Bowling for a position within your district. Her combination of hard work, dedication to her goals, and time management makes her an exceptional candidate. I am confident that she will make significant contributions to your school system.

If you require any additional information about our programs at WGU or Jazmine's achievements, please do not hesitate to contact me.

Sincerely,

Jennifer Buchta
