RE: Jazmine Bowling

Employment Recommendation

To Whom It May Concern:

I am pleased to recommend Jazmine Bowling for employment. Jazmine was a student in my Ivy Tech English class during the summer of 2023. She is a very capable example of leadership and involvement in the online classroom setting.

Jazmine did outstanding work throughout the course and finished with a 96% average; her attendance was perfect. In everything she did for the class, Jazmine displayed a dedication to excellence. She is fully capable of finishing her course of study and becoming a productive member of society. I recall that her long-term goal is to become a teacher. She will be very good in that capacity.

I believe that Jazmine would be a superb addition to your staff.

Sincerely,

Carolyn Beardsley

Adjunct Instructor of English

Ivy Tech Community College
