

Letter of Recommendation for Jazmine Bowling

To whom it may concern,

It is with sincere pleasure that I recommend Jazmine Bowling as she begins her student teaching and clinical experiences.

I have had the privilege of getting to know Jazmine during her time at Western Boone Jr Sr High School in my role as the School Social Worker. Throughout these years, Jazmine has consistently demonstrated remarkable character, resilience, and leadership.

Jazmine is the direct definition of perseverance. Despite the challenges life has presented, she continues to rise above circumstances with grace and determination. Her persistence and drive to grow - both personally and professionally - are unmatched. She has excelled in balancing her school responsibilities, her job, and her commitments within the community, including helping run family businesses. This experience has strengthened her sense of responsibility, communication skills, and ability to adapt - qualities that will greatly benefit her in an educational setting.

What stands out most about Jazmine is her unwavering determination. When she commits to a goal, she follows through with focus, resilience, and an exceptional work ethic. These qualities make her not only a strong student but also someone who naturally supports and uplifts others around her.

Jazmine has a clear and heartfelt commitment to educating the next generation. Her passion for helping children succeed is evident in the way she carries herself, approaches challenges and pursues her future career path. She is thoughtful, observant, and intentional in her interactions, consistently demonstrating maturity and emotional intelligence beyond her years. I am confident she will bring the same level of dedication, compassion, and professionalism to her student teaching and clinical placements.

Jazmine was an outstanding student and remains an outstanding individual. Her positive attitude, steady self-belief, and genuine desire to make a difference will serve her well as she enters the field of education. It is with great pride that I give Jazmine my highest recommendation.

Sincerely,

Tori Cheney

School Social Worker

Western Boone Jr. Sr. High School
