To Whom It May Concern:

It is with great joy that I write this recommendation for Jazmine Bowling. I have known Jazmine during her Western Boone school years and am now assigned as her school counselor.

Jazmine has impressed me in multiple ways, but what comes to mind first is her level of professionalism in how she communicates and carries herself. Even as a young freshman, Jazmine would send professionally written emails that stated her purpose and reasoning clearly with correct grammar and punctuation. At the end of the 2021-22 school year, Jazmine inquired about taking a college summer course in education. She met with the college representative over the phone to enroll in the course. She impressed me during this meeting with how she communicated her goals to the college staff and made me proud she was representing Western Boone so competently.

Jazmine has academically performed well in every subject as her 3.976 grade point average shows. She has taken a college preparatory course load and is scheduled to graduate a year early. In addition to finishing her graduation requirements early, she is also taking additional courses as a cadet teacher for students in our moderate/severe special needs room. With this experience, she works directly with students with more significant disabilities in teaching them skills that will help them academically and functionally.

Jazmine is someone who I am always happy to see walk through my door. I was able to communicate with her more during this past year when Jazmine was researching possible career goals. She was visiting multiple vocational programs in order to make the best decision on a path forward towards her career aspirations. She asks excellent questions. She thinks about her future and creates plans to accomplish her goals. She holds herself to a high standard and works diligently to achieve her goals.

Jazmine is someone that I have no doubts will prove to be someone who will represent your organization with the utmost respect and high achievement. Please do not hesitate to contact me with any questions.

Sincerely,
